

HAM RADIO CLASSES

The **Fox River Radio League** will be holding a free 5 week course where you can learn everything you need to earn your first...

FCC Amateur Radio License

The **Technician License** is your gateway to the world-wide excitement of Amateur Radio. No Morse Code required, just a 35 question, multiple choice test.

Amateur Radio offers a unique mix of technology, public service, convenience and fun! Some hams enjoy communicating across the county and around the globe, making new friends over the airwaves. Others like to build and experiment with electronics. Still others use their radios and skills during emergencies or disasters.
