

Every year at Christmas meeting, the FRRL collects food/paper products/money to donate to the Food Bank. Many years that was the cost of admission to the meeting!

This year I will be collecting for the food bank at the December meeting. Bring canned goods, mac and cheese, paper products, or even cash and it will be donated to the Interfaith Food Bank. Please no out of date products!

The grab bag this year is basically you bring one, you get to take one. If you want to participate you can go through your shack for the good but not being used item(s). Please no junk, we want everyone to get something they can use. I will have paper grocery bags if you do not have time to wrap the gift.

Lets all have a great time and you are urged to bring a dessert for the troops to munch on.

Merry Christmas de K9FE Mike

Please Bring A

Snack Desert
