About Us

The Fox River Radio League, Inc. is a general interest Amateur Radio club serving the central Fox River Valley area in Illinois. Club records indicate the club has been in existence since at least 1924, and it has functioned continuously ever since. We are an ARRL Special Service Club, an Illinois not-for-profit corporation, and a 501(c)(3) tax exempt organization as specified in Federal IRS Statutes.

We sponsor training classes for those seeking a new or upgraded Amateur Radio license, license examination sessions, and participation in various local Public Service events. Our membership covers a broad variety of interests - if you have a specialized amateur radio interest, you will likely find camaraderie with one or more of our club members.

We meet on the 2nd Tuesday of every month at Bethany Lutheran Church, located at 8 S. Lincoln St. in Batavia, Ill. The meeting begins at 7:30 PM and includes a short business portion, social time and a program presentation of interest.

Meetings are open to the public. Anyone interested in the amateur radio hobby are invited to attend. Family members are welcome.

The Esteemed

Terry Todd

October is coming up fast. That means the Illinois QSO party is on the agenda. Stay tuned for details. We are trying to find a different location this year so we can get away from the rfi that we encountered last year from the solar panel inverters. Hope to see you there on the 16th.

ARC OVER

FOX RIVER RADIO LEAGUE MEMBERSHIP MEETING MINUTES

September 13, 2022

Minutes of the Regular Meeting of the General Membership of the Fox River Radio League (FRRL)
an Illinois not-for-profit Corporation

The September 13, 2022 meeting of the Fox River Radio League was conducted at Bethany Lutheran Church in Batavia, IL. There were 42 members in attendance and 5 members attended via Zoom.

The meeting was called to order at 1930CST by President Terry Todd, W9AUV.

Board Members and Directors Present

President, Terry Todd W9AUV
Vice-President, Roger Bara W9YU
Secretary, Art Shuter NN9I
Treasurer, Dan Harmon WA9YKK
Director 1, NETS/RPTR'S Ruben Noceda K9ARN
Director 2, Education Robert Littler W9DSR (absent)
Director 3, Activities Dave Bulkley K9DWB (zoom)
Director 4, Technical Adrian Dinwiddle KB9QQL (absent)

Minutes: Acceptance of the August 9, 2022 Membership Meeting minutes as printed in the ArcOver were approved by the membership. Motion: Dean KC9EOQ, 2nd: Rob KN9J. Motion passed

Reports: Jerry N9JLC reported that he has completed work on a new brochure for the club.

Repeater: Kermit W9XA reported that all repeaters are working well.

Education: Denny W9HI made a request for more Volunteer Examiners at test sessions. Also, there is a need for a person to be a coordinator for classes in the fall.

September 13, 2022 Meeting Minutes Continued:

New Business: Terry W9AUV announced the creation of a nominating committee to consist of Denny W9HI, Harry K9DXA and Gordie KW0E.

Terry W9AUV announced a donation drawing for a new Kenwood TM-V71A radio. Donation is \$10 per coupon with 60 coupons available. A donation from this will be made to the club.

Announcements from the Floor: Denny W9HI reminded us that the Illinois QSO party will take place on Oct. 16th with set-up at Springbrook Prairie in Naperville. All are invited to participate.

Adjournment: Motion to adjourn: Marty N9NTM, 2nd Denny W9HI

The meeting was adjourned at : 19:57 CST

Fox River Radio League

Illinois QSO Party Oct 16th, 2022

Come join the Illinois QSO Party fun...

The Illinois QSO Party is an Annual event sponsored by The Western Illinois Amateur Radio Club (WIARC)

The ILQP takes place each October and involves amateur radio operators in all Illinois counties as well as operators from across the USA and in many foreign countries. The QSO party provides Illinois operators the opportunity to work the 'rare counties'. Illinois stations may operate as Fixed, Portable, Mobile or Rover stations. High and Low power classes are provided for both Illinois Fixed and Non-Illinois stations and QRP competition is also provided. This is a no cost Event.

2022 - Illinois QSO Party Date:

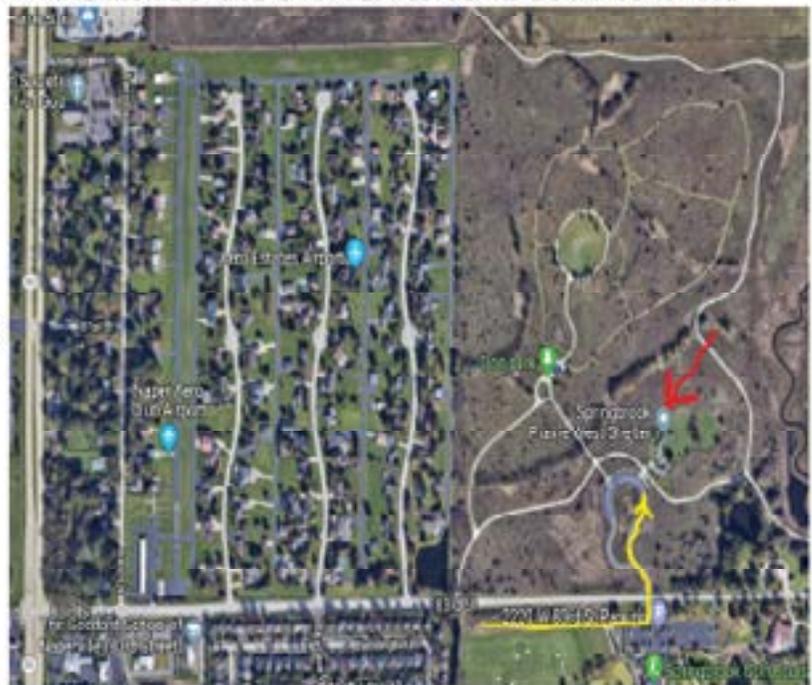

| | | |
|-----------------------------|-------------------------|----------------|
| Setup start: | Sunday October 16, 2022 | 9:00 am local |
| Start Operating: | Sunday at Noon | 12:00 pm local |
| End Operating and clean up: | Sunday at approximately | 5:00 pm local |

Location: Spring Brook Prairie Forest Preserve Shelter in Naperville, IL

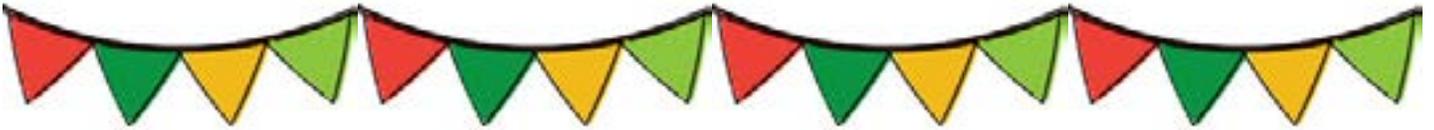

For more information on the Illinois QSO Party please google Illinois QSO Party. When you submit your logs identify yourself as an FRRL Member and all of our scores will be tallied toward the club.

Location:

**Springbrook Prairie Forest Preserve South Pavillion.
Rt 59 South to 83rd street.
East on 83rd street to Pavillion Entrance.
Naperville, IL**

Fox River Radio League Technician

General

And Extra Radio Classes
Resume
In The Fall Of
2022

The Fox River Radio League (FRRL) presents regular training classes focused toward new Amateurs interested in gaining their Technician class license or upgrading to the General and Extra class licenses.

These are free courses where you will learn everything you need to receive or upgrade to the appropriate FCC radio license.

The textbook for the class will be the official ARRL License Manual. Books are available for purchase via the club at a discounted rate by emailing [education \[at\] frrl.org](mailto:education[at]frrl.org).

Classes are instructor-led, and you can expect engaging conversations to ensue around the topics of discussion.

In addition to our regularly scheduled bi-monthly testing we will be scheduling a dedicated VE session after discussing best availability with the class participants. For more information on VE sessions, please see [VE Test Sessions](#).

Calling all newly licensed hams.

Remember the old Radio Shack slogan “You’ve got questions, We’ve got answers”?

Well, I know new hams have a lot of questions and those of us that have been hams for a while have the answers.

I will be adding a new segment to our Tuesday Night Net called “ask Elmer” If you have a question about ham radio, ask it on the air and someone will give you the answer over the air.

Now, for this to work properly we need lots of questions and lots of people who know the answers.

Don’t be afraid to ask a simple or “stupid” question, we all had them when we started. Would you like to be an “Elmer” without getting out of your chair? Well, this is the opportunity you have been waiting for.

I want to invite all the club members to check-in to the net and either ask a question or provide an answer.

You never know what you might learn or what fun you will have if you don’t join the net. For those who may need a reminder, The net meets on our club 2-meter repeater (147.21 MHz, 103.5 Hz PL tone) Every Tuesday at 7:30PM except on our meeting nights.

Hope to hear you on the net soon.

73, Curt W9YNP

Page11

The Radio Amateur's Code

The Radio Amateur is...

CONSIDERATE... He never knowingly operates in such a way as to lessen the pleasure of others.

LOYAL... He offers loyalty, encouragement and support to other amateurs, local clubs, the IARU Radio Society in his country through which Amateur Radio in his country is represented nationally and internationally.

PROGRESSIVE... He keeps his station up to date. It is well build and efficient. His operating practice is above reproach.

FRIENDLY... He operates slowly and patiently when requested; offers friendly advice and counsel to the beginner; kind assistance, cooperation and consideration for the interests of others. These are the marks of the amateur spirit.

BALANCED... Radio is a hobby, never interfering with duties owed to family, job, school or community.

PATRIOTIC... His station and skills are always ready for service to country and community

...adapted from the original Amateur's Code, Written by Paul M Segal, W9EEA, in 1928

© John Devoldere 0N4UN and Mark Demeuleneere 0N4WW

Taken from: [Ethics and Operating Procedures for the Radio Amateur.](#)

BRING BACK "RADIO IN THE PARK"

Harry Jones K9DXA started "Radio in the Park" years ago. His idea was take your radio out to a local park and set it up and operate. Since we can't have any thing big, just take your rig, wear your mask, set up an antenna, radio and have fun.

The idea of this is bring ham radio to the public. Make a small sign with your name, call sign, and please add FRRL also. Would like some photo of your operation. May get someone to take a picture of you operating. Will try to get your picture into the news letter. Please send a short report to me at my FRRL address. Director3@frrl.org

Dave K9wdb

VE Testing

The FRRL, in conjunction with the ARRL VEC, sponsors regular amateur examinations the third Thursday of every March, April, May and June. Ad-hoc sessions are planned during major events and will be added to the schedule here as well.

Upcoming Testing Schedule:

November 10, 2022

Testing Location:
Geneva Lutheran Church
301 S 3rd St,
Geneva, IL 60134

No Walk-ins. All events subject to COVID-19 venue availability and restrictions. Please pre-register by [emailing](#) or calling Dan Harmon 630-272-1768

Please also be sure to bring:

- Photo identification
- Your FCC generated FCC Registration Number (FRN).
- The fee of \$15.00. (The FRRL receives no portion of this fee.)

- If upgrading bring your original FCC HAM Radio License (or the documentation you received) and a photocopy of your license.

If you have questions about the testing program, please email the Chairman at: ve@frrl.org

VE's Needed !!

Illinois Traffic Net

You can also participate in one (or all) of the Illinois Traffic Nets. Everyone is welcome with or without traffic. The nets are the North Central Phone Net, Daily (M-F) at 7 a.m. local time, on 3912 kHz LSB; the Illinois Phone Net, Monday – Friday at 4:45 p.m. local time, on 3857 kHz LSB and on Sunday at 8 a.m. on 3940 kHz; and the Illinois Sideband Net, Daily at 6 p.m. local time, on 3905 kHz LSB.

..... / / / /

There are plenty of volunteer organizations that could use your radio skills.

Consider volunteering
you can make
the difference !!

American Red Cross

The Amateur Radio Emergency Service® (ARES) consists of licensed amateurs who have voluntarily registered their qualifications and equipment, with their local ARES leadership, for communications duty in the public service when disaster strikes. Every licensed amateur, regardless of membership in ARRL or any other local or national organization is eligible to apply for membership in ARES. Training may be required or desired to participate fully in ARES. Please inquire at the local level for specific information. Because ARES is an amateur radio program, only licensed radio amateurs are eligible for membership. The possession of emergency-powered equipment is desirable, but is not a requirement for membership.

ARES

Every licensed amateur, regardless of membership in ARRL or any other local or national organization is eligible to apply for membership in ARES.
