

# HAM RADIO CLASS

The Fox River Radio League will be holding a free 7 week course where you can learn everything you need to earn your first Amateur Radio License.

This class is designed for people with no background in radio or electronics and will prepare you for the first level Amateur Radio License test. The test is a 35 question multiple choice written test. Morse Code is no longer required for a Ham Radio License.

The textbook for the class will be The ARRL Ham Radio License Manual, Second Edition. Be sure you have a copy for class. Books can be purchased online through [www.arrl.org](http://www.arrl.org), at local ham-fests or several other online sources.
